EXECUTIVE SUMMARY

ST. LOUIS DISTRICT ■ QUARTERLY REGIONAL MOBILITY REPORT ■ DECEMBER 2019 / JANUARY / FEBRUARY 2020

ZONING IN

Fatal Crash Clearance times improved by 9.5% this quarter and 4.3 % in 2019 compared to 2018

The number of tractor trailer incidents decreased 17.69%

Work zone crashes increased by 60.0% compared to Winter of 2019

Overall Regional Mobility for the winter quarter decreased slightly during the AM peak. PM peak mobility increased.

Northbound I-270 at Manchester MO 100 took over the top congested spot this quarter same as the previous year to date

TMS Work Zones:

Dec	2019: 169
Jan	2020: 143
Feb	2020: 169

Work Zone Impact Breakdown:

Major:	16– 3.6%
Moderate:	24– 5.4%
Minor:	407– 91.0%

WORK ZONE CRASHES: 45

Planned Event

Date: Entire Quarter	Location: Eastbound / Westbound I-44 at I-270 Event Detail: Continued Bridge work - daily lane closures and additional travel times of up to 23 minutes during non-peak hours.
-----------------------------	---

Unplanned Event

Date: 12-13	Location: Westbound I-270 past Northbound I-170 Event Detail: Police Investigation for a shooting resulting in a two-vehicle crash and a secondary crash. TMC personnel overheard emergency units being dispatched to a crash on Westbound I-270 west of I-170 while actively monitoring scanner traffic. A driver of a passenger vehicle was fatally shot. The vehicle was hit numerous times causing the driver to lose control and collide with a tractor trailer. The driver was pronounced at the scene. All westbound lanes of the interstate were closed while the Major Case Squad investigated the homicide. Traffic queued 2.5 miles.
--------------------	--

ST. LOUIS DISTRICT ■ QUARTERLY REGIONAL MOBILITY REPORT ■ DECEMBER 2019 / JANUARY / FEBRUARY 2020

Major Impact Traffic Incidents and Mitigation

12/13/2019 (Friday)

- **Time:** 11:21 am – 3:24 pm ***Fatality***
- **Location:** St. Louis County Westbound I-270 past Northbound I-170
- **Event Type:** Police Investigation for shooting resulting in a two-vehicle crash and a secondary crash
- **Estimated Initial Impact:** Non-Rush Hour: 4 of 4 travel lanes affected equals (=) 100%
- **Incident Details:** TMC personnel overheard emergency units being dispatched to a crash on Westbound I-270 west of I-170 while actively monitoring scanner traffic. A driver of a passenger vehicle was shot. The vehicle was hit numerous times causing the driver to lose control and collide with a tractor trailer. The driver was pronounced at the scene. All westbound lanes of the interstate were closed while the Major Case Squad investigated the homicide.
- **Action Taken:** The TMC confirmed the location via CCTV, entered the event into ATMS and immediately activated appropriate DMS boards. This also auto generated the closure into TMS to alert drivers. Hazelwood Police, Fire & EMS responded, as did the MSHP and the St. Louis County Police. St. Louis County took command of the scene. MoDOT Emergency Responders were dispatched to assist with traffic, which was diverted onto Southbound I-170 and North Hanley for drivers to use the outer roads. Traffic engineers monitored traffic signals for signal timing adjustments. The SL City County IM Text and CO Incident alerts were sent out. Communications Staff, Motor Carriers, and the Incident Management Coordinator were all notified. At 11:42 a.m., TMC Operators observed a secondary accident in the queued traffic on Westbound I-270 west of New Florissant Road. A small passenger car rear ended a tractor trailer that had slowed in the traffic. At approximately an hour into the incident, Berkeley Police shut down Northbound I-170 at Airport Road at the request of Hazelwood Police. Drivers could use Northbound Hanley Road to get back to Eastbound I-270 or use the North Outer Road to go west. Traffic queued 2.5 miles on Westbound I-270 and a mile on Northbound I-170.
- **Event Duration:** 4 hours 3 minutes

	Westbound I-270 past Northbound I-170	Left Shoulder	Lane 1	Lane 2	Lane 3	Exit Lane	Right Shoulder
Closed Hours/Minutes		4:03	4:02	4:01	4:01	4:01	4:01

	Northbound I-170 at Airport Road	Left Shoulder	Lane 1	Lane 2	Lane 3	Right Shoulder
		Closed Hours/Minutes	3:01	3:01	3:01	3:01

Pictured on the left: The red tractor trailer and the white one in front of it were backed down the ramp from Westbound I-270, to use the outer road. The green tractor trailer and the cars behind it were turned around and taken the opposite direction on the ramp to get back to the outer road.

Pictured on the right: Vehicles from the flyover ramp were turned around to go back the opposite direction, then turned around again to Westbound I-270.

Major Impact Traffic Incidents and Mitigation

12/15/2019 (Sunday)

- **Time:** 1:44 am – 5:31 am ***Fatality***
- **Location:** St. Louis County Northbound I-270 at Dougherty Ferry Road
- **Event Type:** Multi-vehicle Fatal Crash
- **Estimated Initial Impact:** Non-Rush Hour: 3 of 3 travel lanes affected equals (=) 100%
- **Incident Details:** A wrong-way driver in vehicle #1 struck vehicle #2 that was struck again by vehicle #3. Crash resulted in the driver of vehicle #1 seriously injured. An occupant of vehicle #2 was fatally injured along with serious injury to the driver. An occupant in vehicle #3 suffered a minor injury.
- **Action Taken:** The TMC was notified by St. Louis County Police of the incident and confirmed it on CCTV. MoDOT Emergency Response was in the middle of a shift change so an ER supervisor was notified who then contacted the next scheduled unit to expedite their response. TMC Operators entered the event into ATMS and activated appropriate DMS boards. Incident alerts were sent out to the appropriate email groups including MoDOT EOC. St. Louis County Police, Kirkwood Police, Des Peres Police and MSHP were on scene and detoured traffic up and over at the Dougherty Ferry exit ramp. Fire, EMS and an accident reconstruction crew were also on scene. A MoDOT ER unit arrived to assist with traffic control and to clear debris. MoDOT Maintenance supervision was notified with a request for a salt truck due to icy conditions following a wash-down by the fire department. The maintenance unit arrived responded and treated roadway. The traffic queue was minimal due to time of day.
- **Event Duration:** 3 hours 47 minutes.

	Northbound I-270 at Dougherty Ferry Road	Lane 1	Lane 2	Lane 3	Right Shoulder
		Closed Hours/Minutes	3:47	3:47	3:45

Major Impact Traffic Incidents and Mitigation

12/26/2019 (Thursday)

- **Time:** 7:40 am – 10:44 am
- **Location:** Jefferson County Northbound MO 141 past Fiedler Lane
- **Event Type:** Two-Vehicle Crash
- **Estimated Initial Impact:** Rush Hour: 2 of 2 travel lanes affected equals (=) 100%
- **Incident Details:** TMC operators heard over the scanner of a reported crash with an overturned vehicle on MO 141 past Fiedler. After checking the cameras, it was discovered the overturned vehicle was a dump truck and debris was scattered across all lanes of traffic.
- **Action Taken:** Police contacted the TMC for assistance with traffic control stating there was a passenger vehicle involved in a crash with a dump truck carrying dirt. An Emergency Response Unit was sent to the scene to help with traffic control. The Emergency Response Supervisor and Incident Management Coordinator were contacted. After arriving on scene Emergency Response closed the roadway and diverted traffic to Fiedler Lane. The Festus Maintenance Supervisor was contacted regarding the spill and responded to the location with a front loader. Maintenance moved the spilled load to the left median to reopen the roadway. The company that lost the load of dirt stated they would remove it from the median later. The TMC used DMS boards along I-55 and MO 141 to warn motorists of incident. The incident was added to TMS and an incident alert was sent to notify District Leadership. A half mile traffic queue resulted with a backup to Schneider. The duration of the incident was extended due the tow company trying to remove the dump truck and maintenance completing a wash down of the roadway.
- **Event Duration:** 3 hours 4 minutes

	Northbound MO 141 past Fiedler Lane	Left Shoulder	Lane 1	Lane 2	Right Shoulder
		Closed Hours/Minutes	2:58	2:58	2:58

Major Impact Traffic Incidents and Mitigation

2/12/2020 (Wednesday)

- **Time:** 5:36 am – 8:52 am ***Fatality***
- **Location:** St. Louis County Westbound I-44 at MO 141
- **Event Type:** Pedestrian Struck
- **Estimated Initial Impact:** Rush Hour: 4 of 4 travel lanes affected equals (=) 100%
- **Incident Details:** Fatal hit and run of a pedestrian. The pedestrian was in lane #3 when a vehicle struck the pedestrian and left the scene of the crash. The pedestrian was pronounced at scene by investigators at 6:50 am.
- **Action Taken:** TMC Operators entered the event into ATMS and activated DMS boards within one minute of the start of the incident. MoDOT Emergency Response was dispatched. Communications, EOC and ER Supervision were all notified. An incident alert was sent out with updates sent nearly every hour. TMC personnel coordinated with MoDOT Emergency Response to set up the diversion for traffic at MO 141, as Police had already begun the process. Reconstruction arrived on the scene at 7:11 am. All Lanes re-opened at 8:52 am. The length of the event was due to investigation and reconstruction. The traffic queue was 1 Mile.
- **Event Duration:** 3 hours 16 minutes

	Westbound I-44 at MO 141	Left Shoulder	Lane 1	Lane 2	Lane 3	Lane 4	Right Shoulder
		Closed Hours/Minutes	3:16	3:16	3:16	3:16	3:16

Major Impact Traffic Incidents and Mitigation

2/14/2020 (Friday)

- **Time:** 10:46 am – 2:00 pm ***Fatality***
- **Location:** St. Louis County Westbound I-64 at Route N
- **Event Type:** Three-Vehicle Crash
- **Estimated Initial Impact:** Non-Rush Hour: 2 of 2 travel lanes affected equals (=) 100%
- **Incident Details:** A pickup truck was traveling eastbound on I-64 and traveled off the north side of the interstate through the median cable barriers, started to overturn and struck two vehicles traveling in the westbound direction. Incident resulted in four fatalities, two drivers of the westbound vehicles were pronounced at scene and two passengers were pronounced at the hospital. The driver of the pickup suffered serious injuries.
- **Action Taken:** Upon TMC confirmation of the incident, MSHP, O'Fallon Police, Wentzville Fire Department and EMS were already on scene. MoDOT Emergency Response was dispatched for traffic control. Police confirmed it was a fatal incident. Notifications were made to Communications, Motor Carriers, ER Supervision and EOC. ER arrived on scene and worked with Police to set up the traffic diversion at Route DD/Winghaven and then subsequently closed the ramp from Winghaven to Westbound I-64. Emergency vehicles temporarily blocked the eastbound side of I-64 while they accessed the scene. All lanes were progressively re-opened. Signal engineers began adjusting signals at Winghaven for the detour. ER was dispatched when they came into service and brought oil dry to the scene because of fluid leaks from the vehicles. The Medical Examiner arrived along with a reconstruction team. A call report for Guard Cable damage was created and sent to MT contracts.
- **Event Duration:** 3 hours 14 minutes

	Westbound I-64 at Route N	Left Shoulder	Lane 1	Lane 2	Right Shoulder
		Closed Hours/Minutes	3:14	3:14	3:14

Major Impact Traffic Incidents and Mitigation

2/21/2020 (Friday)

- **Time:** 9:04 pm – 12:18 am ***Fatality***
- **Location:** St. Louis County Southbound I-270 past Ladue Road
- **Event Type:** Three-Vehicle Crash with a Pedestrian Struck
- **Estimated Initial Impact:** Non-Rush Hour: 6 of 6 travel lanes affected equals (=) 100%
- **Incident Details:** MoDOT Emergency Response and Creve Coeur Police were on scene with an abandoned vehicle on right shoulder. A pedestrian attempted to cross the median to reach the abandoned vehicle and was struck by another vehicle followed by two additional vehicles getting involved in the crash.
- **Action Taken:** The TMC was notified via MoDOT Emergency Response on scene and confirmed the incident on CCTV. TMC operators entered the event into ATMS and activated appropriate DMS boards. MoDOT Emergency Response assisted with traffic control. Incident alerts were sent out to the appropriate email groups. Lanes were progressively opened. Traffic queued 1.3 miles at its peak and it took approximately 4 minutes for traffic to return to normal after the incident cleared. Event duration due to nature of the event and crash reconstruction.
- **Event Duration:** 3 hours 14 minutes

	Southbound I-270 past Ladue Rd	Lane 1	Lane 2	Lane 3	Lane 4	Lane 5	Lane 6	Right Shoulder

Major Impact Traffic Incidents and Mitigation

2/26/2020 (Wednesday)

- **Time:** 2:13 pm – 5:40 pm ***Fatality***
- **Location:** St. Louis County Southbound Route H/Riverview Drive past I-270
- **Event Type:** Two-Vehicle Fatal Crash
- **Estimated Initial Impact:** Rush Hour: 2 of 2 travel lanes affected equals (=) 100%
- **Incident Details:** Two vehicle crash of a sedan vs tractor trailer resulting with a fatality of the driver of the sedan.
- **Action Taken:** The TMC received a phone call from the St. Louis City Police dispatcher of a vehicle crash on Riverview Drive. The TMC confirmed the back-up of the incident on CCTV and notified MoDOT Emergency Response to assist with traffic control. TMC Operators entered the event into ATMS and activated appropriate DMS boards. TMC Operators also entered the event in to TMS for the public to be aware of the closure. All lanes on Riverview Drive were closed Northbound and Southbound between I-270 and Hall Street. St. Louis City Police, St. Louis City Fire, and St. Louis City EMS all responded to the scene as well as two tows for the vehicles. Event duration was due to the driver of the sedan needing to be extricated from the vehicle and the crash reconstruction. There was no traffic queue when the incident cleared as all lanes were closed and traffic was forced to take an alternate route.
- **Event Duration:** 3 hours 27 minutes

	Southbound Route H/Riverview Drive past I-270	Lane 1
	Closed Hours/Minutes	3:27

	Northbound Route H/Riverview Drive before I-270	Lane 1
	Closed Hours/Minutes	3:27
